

PETER LAIDLEY

BAREFOOT TRIMMING & HORSEMANSHIP CLINIC

*Barefooting is not just taking the shoes off.
It is not less work.
It is not a magic "cure-all" for all hoof problems.
It is not going to put your farrier out of work. (It may make him / her richer.)*

*Barefooting takes care and commitment.
It **will** make your horse healthier, sounder, perform better, have less pain and live longer.
It **will** save you a lot of money if you are prepared to do some, or all, of the work yourself.
It **will** reduce (or remove) the cost (and pain) of a lot of degenerative lower limb disease and lameness.*

Your horse will thank you.

Peter
